GUIDE

1 What this sheet practises

Counting back by ones within 120, counting by tens up and down from any number, and finding one or ten more or less.

2 A problem from the sheet, worked out

Count back Each number is one less. Fill in the boxes.

97, 96, 95, 94, 93, 92
54, 53, 52, 51, 50, 49
46, 45, 44, 43, 42, 41
44, 43, 42, 41, 40, 39

How: Counting back, each number is one less: 103, 102, 101, 100, 99. By tens from any number, only the tens digit changes: 47, 57, 67.

3 Words to know

count back say the numbers going down

by tens jump ten each time

one less the number just before

ten more the tens digit goes up by one

4 Watch for

- Going from 100 back to 90 instead of 99.
- Changing the ones digit when counting by tens.
- Counting back from 110 as 109, 108, 107... then 100 too soon.

5 Where it fits

BEFORE

K.CC.A.2

Count forward from any number, not just 1.

THIS SHEET

1.NOS.A.1

Count forward and backward within 120 from any number, and by tens.

NEXT

1.NBT.C.5

Find 10 more or 10 less than a two-digit number in your head.

6 Helping at home

Count down from any number while waiting in line. Then count by tens from your house number.
