GUIDE

1 What this sheet practises

Working out how much time has passed, to the hour and half hour, and choosing sensible times for everyday things.

2 A problem from the sheet, worked out

How long did it take? Count the hours from start to end, then any half hour.

Art class

Starts

Ends

1 hour **30** minutes

A movie

Starts

Ends

2 hours **0** minutes

How: Start at the first time and count the whole hours to the end, one hour at a time. If there's a half hour left over, add 30 minutes.

3 Words to know

elapsed time how much time passes

hour 60 minutes

half hour 30 minutes

start time when something begins

4 Watch for

- Counting the hour you start on as one of the hours.
- Forgetting the extra half hour.
- Losing track when the time goes past 12.

5 Where it fits

BEFORE

1.MD.B.3

Tell and write time to the hour and half hour.

THIS SHEET

2.GR.C.8

Estimate and work out elapsed time to the hour and half hour.

NEXT

3.MD.A.1

Tell time to the minute and solve elapsed-time problems.

6 Helping at home

Note when a trip or activity starts and ends, and work out together how long it took.
