Freddie's Frog Pond

Pre-K · Counting in order · P-MATH 1

GUIDE

① What this sheet practises

Saying the counting numbers in order. Your child joins the dots from 1 to 10 (or 20), and a picture appears when the numbers are in the right order.

② A problem from the sheet, worked out

Dot-to-dot Join the dots in order, from 1 to 10.

How: Find 1, then say each next number out loud before drawing to it. When the last dot is joined, draw back to 1 to close the picture.

③ Words to know

dot a small spot on the page

in order 1, 2, 3, the way we count

next the number that comes after

④ Watch for

- Jumping to the nearest dot instead of the next number.
- Mixing up 6 and 9, or skipping from 12 to 14.

⑤ Where it fits

THIS SHEET

P-MATH 1

Say the counting numbers in order, working up to 20.

NEXT

K.CC.A.1

Count to 100 by ones and by tens.

⑥ Helping at home

Count steps on the stairs or toys into a box, saying each number as you go. Stop and ask what comes next.
