GUIDE

1 What this sheet practises

Spotting, continuing and making repeating patterns, like ladybug, flower, ladybug, flower, or triangle, square, circle.

2 A problem from the sheet, worked out

What comes next? Say the pattern out loud. Circle the one that comes next.

How: Say the pattern out loud and find the part that repeats. Keep saying it past the end to hear what comes next.

3 Words to know

pattern things that repeat in the same order

repeat happen again and again

repeating part the chunk that keeps coming back

next the one that comes right after

4 Watch for

- Picking a picture that isn't part of the pattern at all.
- Copying the last picture again instead of the one that comes next.
- Missing that a pattern like fish, ladybug, leaf repeats in threes.

5 Where it fits

THIS SHEET

K.AT.B.3

Spot, continue and make repeating patterns, like AABAAB or ABCABC.

6 Helping at home

Make patterns with spoons and forks, claps and stomps, or colored socks. Let your child add the next few, then make one for you.
